REQUEST FOR CEQA AND LAND USE NOTICES FOR THE SOUTH ORANGE COUNTY RELIABILITY ENHANCEMENT PROJECT

Dear Mr. Drury, Ms. Caro, and Ms. Osborne:

We have received your request to receive CEQA and land use notices for the South Orange County Reliability Enhancement Project. My office is responsible for preparation of the San Diego County Board of Supervisors' agendas and recording actions of the Board. We have added your e-mail addresses to our electronic distribution list for the Board of Supervisors agendas. This will ensure you receive notification of upcoming Board of Supervisors meetings to review agenda items that are of interest to your firm, including land use matters that require actions of the Board of Supervisors. Additionally, should you wish to access previous Board of Supervisors actions, please visit our website at www.sandiegocob.com to search official Board records.

Your request to be noticed on CEQA hearings related to this project was forwarded to the Department of Planning and Development Services to add you to its distribution list for this project. If you have any questions regarding this project, please contact Mark Slovick, Project Manager, via e-mail at Mark.Slovick@sdcounty.ca.gov, or via telephone at 858-495-5172.

If you have any questions regarding records maintained by my office, please feel free to contact Chief Deputy Clerk of the Board Andrew Potter at (619) 531-5433.

Sincerely,

THOMAS J. PASTUSZKA
Executive Officer/Clerk of the Board of Supervisors

Re: **CEQA and Land Use Notice Request (Public Resources Code § 21167(f)) and Comments on CEQA Notice of Preparation for the South Orange County Reliability Enhancement (SOCRE) Project (SCH 2013011011)**

Dear President Peevey, Mr. Barnsdale, Mr. Dronenburg, Jr., Clerks of the Board of Supervisors, Clerk-Recorder:

I am writing on behalf of the Laborers International Union of North America, Local Unions 652 and 89 and their members living in Orange and San Diego counties, respectively, ("LiUNA" or "Commenters") to request that the California Public Utilities Commission ("CPUC") put us on its notice list for any and all notices issued under California Planning and Zoning Law and/or the California Environmental Quality Act ("CEQA"), referring or related to the South Orange County Reliability Enhancement ("SOCRE") Project (SCH 2013011011), including any and all actions related to the rebuilding and upgrading of the existing Capistrano substation to a gas-insulated substation, the replacing of a segment of a single-circuit transmission line between the Talega and Capistrano substations with a new 7.5 mile double-circuit transmission line

and relocating several transmission and distribution line segments located near the two substations, and relocating a distribution line into new and existing underground conduit and overhead on new structures from the proposed San Juan Capistrano Substation to Prima Deschecha Landfill ("Project" or "SOCRE Project").

LiUNA hereby requests and urges the CPUC to fully comply with the California Environmental Quality Act ("CEQA"), Public Resources Code § 21000 et seq., in all aspects of the SOCRE Project, including but not limited to, preparation and consideration of any and all CEQA documents prepared for the Project, including the Draft Environmental Impact Report ("Draft EIR"), Final EIR, and any other CEQA documents prepared for the SOCRE Project, responses to any and all comments submitted by responsible agencies, members of the public, or others on the SOCRE Project, and consideration of any and all applications for licenses, permits, or any other notices or approvals sought for the SOCRE Project.

LiUNA expressly reserves the right to submit additional comments on the SOCRE Project in conjunction with both the Draft EIR and Final EIR for the Project or any other future actions taken with regard to the Project.

We hereby request that the CPUC, County of Orange, and the County of San Diego send by mail or electronic mail to our firm at the address below notice of any and all actions or hearings related to activities undertaken, authorized, approved, permitted, licensed, or certified by the agencies and any of its subdivisions, and/or supported, in whole or in part, through contracts, grants, subsidies, loans or other forms of assistance from the Agencies, including, but not limited to the following:

- Notice of any public hearing in connection with the Project as required by California Planning and Zoning Law pursuant to Government Code Section 65091.
- Any and all notices prepared pursuant to the California Environmental Quality Act ("CEQA"), including, but not limited to:
 - Notices of any public hearing held pursuant to CEQA.
 - Notices of determination that an Environmental Impact Report ("EIR") or supplemental EIR is required for a project, prepared pursuant to Public Resources Code Section 21080.4.
 - Notices of availability of an EIR or a negative declaration for a project prepared pursuant to Public Resources Code Section 21152 and Section 15087 of Title 14 of the California Code of Regulations.
 - Notices of approval and/or determination to carry out a project, prepared pursuant to Public Resources Code Section 21152 or any other provision of law.

- Notice of approval or certification of any EIR or negative declaration prepared pursuant to Public Resources Code Section 21152 or any other provision of law.
- Notice of exemption from CEQA prepared pursuant to Public Resources Code section 21152 or any other provision of law.
- Notice of any Final EIR prepared pursuant to CEQA.

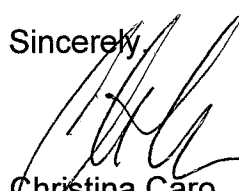

Please note that we are requesting notices of CEQA actions and notices of any public hearings to be held under any provision of Title 7 of the California Government Code governing California Planning and Zoning Law. **This request is filed pursuant to Public Resources Code Sections 21092.2, and 21167(f) and Government Code Section 65092**, which require local agencies to mail such notices to any person who has filed a written request for them with the clerk of the agency's governing body.
